I hope everyone is having a great summer. We concluded Camp Fearless in the Southeast which was held at Van Buren Middle School. I want to thank the New Mexico National Guard, Albuquerque Fire Rescue, and our Community Engagement Officers for hosting a great Camp Fearless for our youth.

If you have driven by the Phil Chacon Memorial Substation, you may have noticed the construction. I am happy to report that construction is under way and completion of the substation should be in 2024, and we will be re-opened to the public.

Your officers have been working very hard addressing quality of life issues which include enforcing violations of City Ordinances such as Criminal Trespass at our businesses, parks, and now medians. We are focusing on our parks, especially those close to schools and community centers, breaking down encampments and removing criminal elements.

Your officers continue to work extremely hard, balancing calls for service, proactive policing to reduce crime, and community engagement.
