Message from the Commander

By Luke C. Languit, Commander, Phil Chacon Memorial

Summer is upon us and our youth are out of school. I am excited for the youth partnerships that the Southeast Area Command, and the department have, and look forward to the youth engagement events over the summer.

Your officers are working very hard addressing

quality of life issues which include enforcing violations of City Ordinances such as Criminal Trespass at our businesses, parks, and now medians. Ensuring individuals do not stay on the narrow medians are important to reduce injuries and traffic fatalities. We continue to work daily with other city departments to provide resources and clean ups for those public areas that are affected by encampments.

We are also in the middle of our violent crime reduction operation. We saw a spike in our shootings in April and May, and we utilized the assistance of other divisions such as Investigations, Tactical, and Traffic. These divisions brought more resources and personnel to the Area Command to have an even greater high visibility presence for disruption and dismantlement of violent crime.

The Phil Chacon Memorial Substation will also be starting the next phase of construction. Last month, the electric company had to move a power pole, and now we are ready to start construction on the second half of the substation. Once the construction is completed, I am looking forward to the substation being back open to the community.

Your officers continue to work extremely hard, balancing calls for service, proactive policing to reduce crime, and community engagement.

Message from Acting Deputy Commander

By Ray Del Greco, University Area Command

As May of 2023 comes to a close it has been a busy yet productive month for the Albuquerque Police Department’s University Area Command. The first sounds of spring baseball could be heard at Isotopes Park. Followed quickly behind by the sounds of enthusiastic soccer fans packing Isotopes Park for the New Mexico United soccer team. Officers with the University Area Command started May by staffing the first of 98 home games at Isotopes Park. With that I would like to thank Lieutenant Justin Trebitowski for the countless hours he has spent ensuring officers are assigned to provide safety and security, for those of you who wish to experience the wonderful family friendly environment, at Isotopes Park.

Other summer events to enjoy in the Nob Hill/University Area include:

Sunday, June 4 – 11am-4pm - Nob Hill First Sunday Stroll

Thursday, June 15 – 6 pm – SE Community Policing Council
