

## Increase your Technology Skills

# FREE Digital Literacy Classes

The Department of Senior Affairs in partnership with Adelante DiverseIT is excited to offer a series of FREE digital literacy group classes designed to teach the benefits of technology. Reserve a spot in our computer lab or bring your own laptop, smartphone or tablet. One on one mentoring for personal devices will be available.

**Space is limited, registration required.**

### **Fact vs. Fiction: What's Real on the Internet?**

Whether you're looking at a website, a photo, video, or a news story, what really matters is whether or not it is trustworthy. Learn how to spot unreliable sources, fake pages and profiles to avoid sharing misinformation.

### **Unsubscribe Me: How to Cancel, Pause or Change Online Subscriptions**

Unsure how to manage online subscriptions or accidentally subscribed to an online service or email list? Learn how to pause, cancel or change reoccurring subscriptions and how to unsubscribe from e-mail lists that can overwhelm email inboxes.

### **GONE PHISHING: Avoiding Scams**

Learn to better protect yourself on the internet, including how to spot scams, phishing emails, and fraud. Older adults are often targeted for scams, but this class will give you some tools to protect your computer and your personal information while you're online.
