Manager's Corner

November is here and so are the holidays. Soon we will be celebrating Veteran's day and Thanksgiving.

This year has come and gone so quickly and it has also taught us that life can change in an instant and that we must adapt based on the circumstances. Although it has been a challenging year for many of us, we have made the best of it. It is said that to reminisce is to re-live those happy and exciting moments. With that being said I would like to wish everyone a farewell. I am retiring after 27 years of service with the City of Albuquerque, it will be bittersweet, but an exciting moment in my life. My entire career has been with Senior Affairs. I am very grateful to this department and to the many opportunities that were given to me throughout the years.

27 years ago I started my career at Highland Senior Center. Shortly there after I became part of the RSVP team and a few years later moved into a management role at Manzano Mesa. I also had the opportunity to work at North Domingo Baca and finally at this lovely center... Los Volcanes. I leave with many wonderful memories, some challenges of course, but overall very rewarding. I will miss the many stories of bravery, life changing and happy moments all the members were willing to share with me.

Within the past five years we have made many accomplishments at Los Volcanes. We were able to remodel the restrooms. The center got a new roof and new heating and cooling. Thank you to the late Councilor Ken Sanchez and his generosity we were able to get brand new cabinets throughout the entire facility and some flooring. Councilor Lan Sena with her generosity helped with the rest of the flooring. We also got new computers in the computer lab and brand new furniture for the poolroom and lobby areas. An update on upcoming projects for Los Volcanes are a new street and building signage, within the next few months. The computer lab will get a new facelift, which will include a TV that will help serve as a projector and new computer furniture. Another project that has been in the works for a long time will finally become a reality. This center will be one of the first to get energy efficient lighting throughout the entire facility and to include the parking lot. This project is due to start January 2022.

Wishing everyone a Happy Holiday season and a Happy New Year 2022, full of hope and joy and may all your dreams come true! It was an honor working for the Department of Senior Affairs and all of its employees. I will leave with great memories, I don't say goodbye, but farewell

Monthly Message from the Director

Happy Fall!!

It seems as though the summer flew by quickly, and now with the colder weather upon us, we are looking forward to the return of annual fall and winter events and activities that we missed during last year's closure.

First, we are excited for the return of our Annual Thanksgiving Day Luncheon. Last year, COVID-19 did not allow us to gather in-person and we had to settle for a drive-thru lunch service, but this year, North Domingo Baca Multigenerational Center will host a seated, special Thanksgiving lunch from 11:30am-1:00pm on Thanksgiving Day. To take part in this holiday lunch, purchase your holiday lunch ticket in advance for \$4.00 per person. Space is limited, please visit with the North Domingo Baca center staff to purchase your ticket today!

Second, keep an eye out for the return of our 50+ center recreational and winter sports and fitness day trips! Our senior and multigenerational centers, along with our sports and fitness program, will now offer various day trip activities. While we are excited for this much anticipated announcement, please remember, all passengers will be required to wear a mask in all transportation vehicles regardless of vaccination status. Visit with your center staff or visit our website at cabq.gov/seniors for upcoming details and schedules.

Finally, we want to make sure everyone has heard about our expanded transportation program. All of our senior and multigenerational centers offer transportation for its members 60 years and older who live within a five-mile radius to their closest Center. If you love visiting our centers, let us pick you up! Visit with your front desk center staff for more details.

I am looking forward to seeing everyone for our fall events and there are still some dates for Coffee with the Director if you would like to visit!

Best,
Anna Sanchez
