Meal Sites housed at Bernalillo County, City of Albuquerque Community Centers, Albuquerque Housing Authority, and Village of Tijeras are temporarily closed; those individuals are encouraged to visit one of the lunch distribution sites.

Please note the following centers are closed and are not currently offering meals:

- Bear Canyon Senior Center
- Highland Senior Center
- Palo Duro Senior Center

Home Delivered Meals

Home delivered meals will continue to operate as normal for homebound seniors. Although many people are staying home due to the Governor's Stay at Home instruction, homebound meal delivery through Senior Affairs is meant to support seniors who have physical, emotional or other limitations that do not allow them to leave their homes on their own. If you, or someone you know, fits this description, call the Senior Information & Assistance Hotline at (505) 764-6400.

On-demand ride service is still available to those 60+.
