

Commercial Recycling

Pilot Program

City of Albuquerque
Solid Waste Management Department

The City of Albuquerque, Solid Waste Management Department now offers commercial recycling to qualified commercial properties. For more information call 761-8134.

- The Solid Waste Management Department will provide a 6 yard bin for the purpose of collecting recycling material only.
- Service can be picked up once a week or multiple times a week.
- Education material and educational presentations for staff.
- Acceptable material list is identical to residential recycling list. See list below.
- 6 yard bin foot print is only 5'8" X 6'
- Possibly reduce trash service, thereby possibly reducing trash bill.
- Free Friedman Recycling Tours for faculty and administrators.
