Albuquerque, NM 87107

**Open House**  
**5:30-6:30 p.m.**

**Presentation & Discussion**  
**6:30-8:30 p.m.**

The City of Albuquerque Solid Waste Management Department and the City of Albuquerque Department of Municipal Development invite you to a public meeting for the proposed Edith Transfer Station Project.

**Scope of Proposed Project:** New transfer station; administrative offices, convenience center and vehicle maintenance facility at the site of the current City of Albuquerque Solid Waste Facility at 4600 Edith Boulevard Northeast, Albuquerque, NM 87107; in order to repurpose the existing solid waste facility with improved site aesthetics, including architectural and landscaping improvements along Comanche and Edith; and reduce air pollution and fuel consumption.

**Public Meeting Purpose:** To give the public, area neighbors and businesses the opportunity to review site and building concepts for the proposed project, ask questions, and provide input. The preferred design alternative recommended for the project will be based on input received at this meeting and during the comment period following the meeting.

**ADA:** To request Americans with Disabilities Act (ADA)-related accommodations for this meeting, contact Patti Watson at (505) 245-3134 or [pattiw@cooneywatson.com](mailto:pattiw@cooneywatson.com) at least two days before the public meeting.

**Comments:** Written comments will be accepted at the public meeting, or they may be mailed or faxed to Savina Garcia, Wilson & Company, Inc., Engineers & Architects, 4900 Lang Avenue NE, Albuquerque NM 87109, fax (505) 348-4055 or email [savina.garcia@wilsonco.com](mailto:savina.garcia@wilsonco.com).
