SUN VAN RIDE ELIGIBILITY CRITERIA

The Americans with Disabilities Act (ADA) identifies three categories of individuals who are eligible for complementary paratransit service. Individuals are ADA paratransit eligible if their disability **prevents** them from:

- Getting to and from bus stops or train stations within the service area.
- Using the fixed-route system because the bus route or rail station is not accessible.
- Independently navigating the system.

Eligibility for Personal Attendants and Companions:

Personal care attendants are persons that are needed to assist certified Sun Van passengers. Personnel care attendants can travel with a Sun Van rider for free, however, the Sun Van rider must schedule the same trip for both individuals at the same time

Companions can travel with a Sun Van rider, if seats are available. Companions pay the standard Sun Van fare. The Sun Van rider must schedule the companion and their rider at the time of the reservation.

Visitors:

Visitors to the City of Albuquerque may use the Sun Van paratransit service for a period of 21 days by either:

a. Presenting certification as ADA eligible from another transit provider; or

b. Proving non-residency and furnishing acceptable documentation of a disability, unless they have a visible disability or use a mobility device such as a wheelchair.

Appealing a determination of non-eligibility

An applicant who has been denied Sun Van certification can appeal this decision to the Advisory Committee on Transit for the Mobility Impaired. The Sun Van service denial letter will state the reason for the denial; state that the applicant has a right to appeal the decision, and the letter will provide information on how to initiate the appeal process.

ADA Paratransit Application Form

APPLICATION OVERVIEW

Please complete this application as thoroughly as possible and to the best of your ability. If there are questions you cannot answer, or if you need assistance to complete this form, please call 243-7433 (243-RIDE) or 724-3100 prior to your certification interview. Every question on this application must be answered in order to schedule a certification interview. If the form is incomplete, you will be ineligible to schedule a certification interview.

The purpose of this application is to provide you an opportunity to describe how your disability prevents you from using the fixed-route bus service. If you find fixed route service difficult or inconvenient to use, this is not the basis for ADA paratransit eligibility, as the law states that your disability in combination with environmental conditions specifically prevents you from using those services.

Information contained in this application will be kept confidential and shared only with professionals involved in evaluating your eligibility to utilize the Sun Van service.

THIS CONCLUDES THE PORTION OF THE APPLICATION TO BE COMPLETED BY THE APPLICANT. SECTION 7 MUST BE COMPLETED AND SIGNED BY AN APPROPRIATE HEALTH CARE PROVIDER.

Dear Health Care Provider:

The Americans with Disabilities Act (ADA) and implementing federal regulations established categories of persons who are eligible to receive paratransit services complementary to fixed-route bus services. The law specifically states that ADA paratransit is intended as a safety net service, and that the person's disability **prevents** them from using fixed route services (bus and train), rather than simply making it difficult or inconvenient to use. The three categories of persons eligible for complementary paratransit service are those whose disability prevents them from:

- Getting to and from fixed-route stops or stations within the service area.
- Using the fixed-route system because the bus route or rail station is not accessible.
- Independently navigating the system.

ADA Paratransit Eligibility Process

An agency must strictly limit ADA paratransit eligibility to persons meeting the regulatory criteria. Eligibility is based on <u>"functional"</u> criteria and is not based on type of disability or mobility aid(s) used.

The information requested from you on the following pages will assist the Transit Department staff to establish the paratransit eligibility of the applicant. **Staff may contact you if any of the information provided below requires clarification.**

If you have questions regarding this application for Sun Van service, please call 724.3100.

Thank you for your assistance.
