

CITY OF ALBUQUERQUE
Albuquerque, New Mexico
Office of the Mayor

EC-19-474

Mayor Timothy M. Keller

INTER-OFFICE MEMORANDUM

August 1, 2019

TO: Klarissa J. Peña, President, City Council

FROM: Timothy M. Keller *TK*

SUBJECT: Mayor's Recommendation of Award (ROA) for RFP No. 2019000045 "Uptown Transit Center Joint Development"

The City of Albuquerque Transit Department in conjunction with the Department of Finance, Purchasing Division, issued the RFP for the Uptown Transit Center Joint Development.

The RFP was advertised in the Albuquerque Journal on December 16, 2018 and posted on the Purchasing E-Procurement, Sicomm.net website on December 17, 2018.

The City only received one (1) response to this solicitation. The ad hoc evaluation committee evaluated and scored the proposal received from Jaynes Corporation and PacifiCap Construction LLC (co-offerors) in accordance with the evaluation criteria published in the RFP. After thoroughly reviewing and scoring the proposal, Jaynes Corporation and PacifiCap Construction LLC (co-offerors) earned a score of 626 points. The ad hoc committee found Jaynes Corporation and PacifiCap Construction LLC (co-offerors) to be both responsive and qualified and recommends an award to Jaynes Corporation and PacifiCap Construction LLC (co-offerors).

I concur with this recommendation.

The City of Albuquerque's Transit Department will manage this contract.

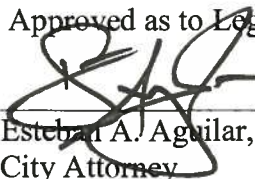

Mayor's Recommendation of Award (ROA) for RFP No. 2019000045 "Uptown Transit Center Joint Development"

Transit Department

Cover Analysis

- 1. What is it?** An Executive Communication to the City Council containing the Mayor's Recommendation of Award for RFP #2019000045 "Uptown Transit Center Joint Development" or "UTC"
- 2. What will this piece of legislation do?** Authorize the Mayor to enter into an Agreement with Jaynes Corporation and PacifiCap Construction LLC for a development agreement under which the UTC can be transformed into a "Transit-Oriented Development".
- 3. Why is this project needed?** In 1998 the City purchased land with grant funding from the Federal Transit Administration, which also supplied construction monies for the UTC, which was constructed in 2004. That grant envisioned a public/private partnership to construct a transit-oriented development on the site while maintaining FTA control of the property. A feasibility study was conducted in 2014, including public participation, surveys, and a neighborhood meeting. Certain land uses, and specifically housing, were identified as needs in the area. Such a project in Uptown can meet those defined needs, as well as inform development on transit corridors throughout the City.
- 4. How much will it cost and what is the funding source?** This is intended to be a "public/private partnership". The City would provide the land, probably through a leasehold arrangement, while preserving the Federal interest. The City would also pay for pre-development services (surveys, appraisals, etc.) from already allocated grant monies. The primary assumption of cost (estimated at \$32,000,000) would be by the private developer.
- 5. Is there a revenue source associated with this Plan? If so, what level of income is projected?** The FTA requires such a project to return a "Fair Share of Revenue" to be used by the recipient agency to support transit programs. It is foreseen that the City will receive a small percentage of project rents over the life of the development. The level of income cannot be projected at this time.

FISCAL IMPACT ANALYSIS

TITLE: RFP No. P2019000045, Uptown Transit Center Joint Development

R: _____
 FUND: 665
 DEPT: Transit

No measurable fiscal impact is anticipated, i.e., no impact on fund balance over and above existing appropriations.

<input checked="" type="checkbox"/> Estimated revenues not affected				-
<input type="checkbox"/> Estimated revenue impact				-
Total Revenue	\$ -	\$ -	\$ -	\$ -

Number of Positions created: 0

COMMENTS: This will be for a development partnership between the City and Jaynes Corporation and PacifiCap Construction LLC (co-offerors)

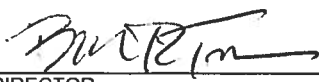

COMMENTS ON NON-MONETARY IMPACTS TO COMMUNITY/CITY GOVERNMENT:
 This will allow the City of Albuquerque to award the RFP No. P2019000045, Uptown Transit Center Joint Development and allow the City to sign a contract with Jaynes Corporation and PacifiCap Construction LLC (co-offerors). The project is needed to develop the City of Albuquerque's 1.46-acre Uptown Transit Center for a Federally-assisted Transit Oriented Development (TOD) project that maintains and enhances current transit service operation.
