The first column is where the voter will sign. The voter must sign on their own, the candidate or circulator **cannot** assist with this.

The second column is where the voter will print their name as registered. The candidate or circulator may assist the voter here.

The third column is where the voter will print their address as registered. The candidate or circulator may assist the voter here.

The fourth column is where the voter will print the date they completed this form. The candidate or circulator may assist the voter here.

Please note, to count towards the candidates required total, the lines must be completed by a voter registered, in good standing, in the candidate's district, must be legible, and all four sections must be completed. Petition forms may only be circulated during the petition time frame. Any petitions dated outside of that time frame will not count towards the candidate's petition requirement. Candidates, or their representatives, must submit petitions weekly to the City Clerk's Office for verification. Petition forms do not need to be full to be submitted. Candidates are encouraged to submit any petitions collected, even partial forms, weekly.

Below are some common examples of petition information and how the Clerk's Offices assesses what is submitted.
