

November 19, 2019

To whom it may concern:

Any charge or charges that a candidate, candidate's committee, Measure Finance Committee, or any other group has committed a violation of the Election Code, Code of Ethics, Open and Ethical Elections Code, or the Rules and Regulations promulgated by the Board of Ethics or the City Clerk shall be made in writing, notarized and brought before the City Clerk.

We allege that Timothy Keller, Mayor of Albuquerque, has violated the Charter of the City of Albuquerque, including, but not limited to, Article XII, Section 4; Article XII, Section 6; Article XII, Section 7; Article XIII, Section 6; Article XVI, Section 2.

Article XII: Code of Ethics. Section 4: Conflict of Interest; Section 6: Use of Public Property; Section 7: Misuse of City Employees in Campaigns.

Article XIII: Election Code. Section 6: Measure Finance Committee.

Article XVI: Open and Ethical Elections Code. Section 2: Legislative Intent

Mayor Timothy Keller disclosed or used confidential information concerning the property, government or affairs of the governmental body by which that official is employed or of which the official is a member without proper authorization in order to advance the direct or indirect private financial or other private interests of said official or others;

Mayor Timothy Keller used property, owned by any governmental body or funds of any governmental body, for personal benefit, convenience or profit, except in accordance with policies promulgated by the Council.

Mayor Timothy Keller did not register a Measure Finance Committee with the City Clerk within five days of formation by preparing and filing with the Board a statement, signed by the chairperson of the Committee.

Mayor Timothy Keller used their position(s) or employment with the city to influence support of employees of the city for or against any candidate, issue or Measure Finance Committee or other similar organization in any election or pre-election activity;

Mayor Timothy Keller failed to avoid both actual undue influence of large campaign donors and the appearance of undue influence in Council and Mayoral elections and decision-making.

Sincerely,

Patrick Monroe Brenner
