## SUBMISSION OF PETITIONS AS A PUBLICLY FINANCED CANDIDATE

Pursuant to NMSA 1978 § 1-22-3.2(D)(5):

[O]n the day provided in the Local Election Act to submit declarations of candidacy, any qualified person may file a declaration of candidacy for municipal office and other candidate qualification documents, including a person who failed to be approved for public financing but who otherwise qualifies to be a candidate, but not including a person who previously sought public financing in the same election but was not qualified to be a candidate; provided that any candidate qualification requirements imposed by the municipality other than those pertinent to public financing and the date for filing a declaration of candidacy must be fulfilled by a person who submits a declaration of candidacy on the day provided in the Local Election Act.

I, \_\_\_\_\_, a candidate for \_\_\_\_\_, understand and acknowledge that if I submit the documents to qualify as required for the public financing process but am not qualified to be a candidate through that process, I **will not** be eligible to later qualify as a candidate on the deadline for privately financed candidates.
