

Running Start for Health Careers!

What is Running Start for Careers? It's a program designed to give students direct entry to industry-developed/industry-taught curriculum in career development areas during their critical high school years.

HT 1101 Introduction to Health Careers

Jan. 27 – Apr. 26

Mondays, 1-4:20 p.m.

Presbyterian Northside

5901 Harper NE

CRN 84191

Highlights of this course:

- Students will be exposed to a variety of health careers and topics: professional behaviors, teamwork, communication skills, legal and ethical responsibilities, cultural consideration in the healthcare industry, problem solving, decision making, personal responsibility and self-management.
- Participate in hands-on, real-world activities: health career clusters, health and healthcare systems and trends, environmental safety and infection control, medical ethics and liability, ethical and legal responsibilities, professionalism and employable skills, cultural awareness and diversity, basic introduction to CPR and the option to receive CPR certification (scheduling of CPR will be in addition to classroom time).
- Students can shadow a healthcare professional.
- Experience simulation labs.
- Expert health profession guest speakers.
- Site visits of healthcare facilities.
- Students will need to attend an orientation before class, show updated immunizations, as well proof of health insurance and a drug screening.
