

# Running Start for Surveying Careers!

What is Running Start for Careers? It's a program designed to give students direct entry to industry-developed/industry-taught curriculum in career development areas during their critical high school years.

## **SUR 1096 Surveying Special Topics**

**May 27 – August 3**

**Mon & Wed 10:00 a.m. - 12:15 p.m.**

**CNM Advanced Technology Center**

**CRN 98346**

### **What's on your horizon? This course will introduce students to:**

- The field of surveying and potential career paths and concepts, including land surveys, deeds, survey plats and land record research.
- The use of Geographic Information Systems software to manage and analyze data.
- Basic concepts of problem solving, mathematics and trigonometry with an emphasis on land survey, engineering applications and calculator use. (Students must provide a full-function scientific calculator with a ten-digit display).
- Students who successfully complete this course will earn three college credits for Introduction to Surveying Engineering, Math for Surveyors and Land Information Systems (SUR 1001, SUR 1002, GIS 1006).
